

THE MOBILITY HOUSE

You like coding?

Software Engineer m/w/d REMOTE

 fulltime/part time  immediate  Munich

What we offer you

- An open company culture and encourage each other to participate to the fullest
- We invest in you and help you develop your skills
- We are a fun and down-to-earth group with talented colleagues from all over the world
- **Remote** work - Germany Area, flexible working hours & 30 days holiday
- We're working in a great office space, that energizes us everyday. Most of all we love BBQ parties on our roof terrace near the Ostbahnhof
- Together with you, we have this one Vision- to design a zero-emission future for energy and mobility
- [More about us](#)

What you do at TMH

- You design SW architectures, develop, test, deploy, maintain and improve software for our energy storage solutions that enable the integration of electric vehicles into the power grid
- You maintain internal "Open Source" code repositories
- You contribute to the continuous improvement of our software development technologies, tools and processes to ensure highest quality in our products

Who you are

- You have a university degree in Computer Science, Electrical Engineering, Physics, Mathematics or equivalent practical experience
- You have 3 or more years experience in developing high quality software in Python and/or Rust
- You have knowledge of the Linux Operating systems
- You use Continuous Integration and Continuous Deployment tools
- You are a teamplayer and enjoy working in cross-functional team
