THE MOBILITY HOUSE

Tech Team Lead – Grid (m/f/d)

👤 fulltime/part time   🕐 immediate   📍 Munich

What we offer you

- An open company culture and encourage each other to participate to the fullest
- We invest in you and help you develop your skills
- We are a fun and down-to-earth group with talented colleagues from all over the world
- Flexible working hours, home office & 30 days holiday
- We're working in a great office space, that energizes us every day. Most of all we love BBQ parties on our roof terrace near the Ostbahnhof.
- Together with you, we have this one vision- to design a zero-emission future for energy and mobility
- More about us

What you do at TMH

- Lead a team of software developers who creates high quality software solutions to provide grid services by utilizing aggregated EV batteries in stationary storage solutions
- Create an inspiring team environment with an open communication culture
- Stipulate an innovation culture within the team
- Conduct regularly one-on-one meetings with your direct reports
- Set and communicate joint goals and deadlines to the team
- Being able to act proactively to ensure smooth team operations and effective collaboration
- Hiring and training of new team members

Who you are

- You have a university degree in Computer Science, Electrical Engineering, Physics, Mathematics or equivalent practical experience.
- You have 4 or more years of experience in developing high quality software in Python.
- You have strong technical and people leadership skills.
- You are a team player and enjoy working in cross-functional team.
